

## **GP Obstetrician: Macleay Valley, NSW**

Wanted: keen GP obstetrician to continue unique maternal care in Macleay Valley halfway between Sydney and Gold Coast. We have 250 to 300 deliveries per annum and a caesar rate of around 18 per cent. There are currently 3 GP obstetricians with advanced training. Can be part-time with various GP options available in Kempsey and surrounds if required. We have the support of physicians in town and paediatricians/obstetricians in Port Macquarie are supportive.

Macleay Valley has great beaches and stunning hinterland. There are daily flights from near-by Port Macquarie to Sydney and a regular rail service. Population is approximately 30,000 with 10,000 in Kempsey (the main town) plus seaside South West Rocks, Hathead and surfing mecca Crescent Head.

Would consider shared job arrangements, we are flexible.

This is a unique place...come and have a look.
