

Specialist
Obstetrician
Locum
Scheme

The Specialist Obstetricians Locum Scheme (SOLS) is calling for Expressions of Interest from GP Obstetricians

The highly successful Specialist Obstetricians Locum Scheme has been extended to include rural and remote GP Obstetricians. SOLS has received funding to undertake a program in 2008-09 for GP Obstetricians working in RRMA 3-7.

Are you a GP interested in receiving locum relief or being a locum in rural and remote Australia?

Register your interest now by filling in your details below!

STEP 1: Mark your choice below.

Yes! I am interested in participating in SOLS as:

- An applicant for locum relief whilst I take leave
- A locum in rural and remote Australia
- Both an applicant for locum relief and a locum in rural and remote Australia

STEP 2: Fill in your contact details:
